

November 2025 | **RDM&KS Unit**

- RDM&KS Unit met November 13, 2025.

Research Data Management (A-3; B-4)

- Migration of data.upei.ca are ongoing and a recommendation is forthcoming.

Systematic Review Service (A-2; A-3; B-4)

- Ongoing metadata and full-text retrieval work for several Knowledge Synthesis projects.
- Ongoing creation and refinement of workflow documentation for Knowledge Synthesis assistance work, including: general API use guide for metadata retrieval (including development of a simple csv to ris tool), documentation for metadata enrichment during early stages of KS projects, and documentation for efficient grey literature full text retrieval.
- KS Projects:
 - 6 “in progress” status for librarian co-authors on faculty projects
